Residential Construction tool list

Examples of recommended tools shown below are good, better, best.

- Framing Hammer \$100-300

20-23 oz wood handle or 14-15 oz titanium. Don't use a steel handle.

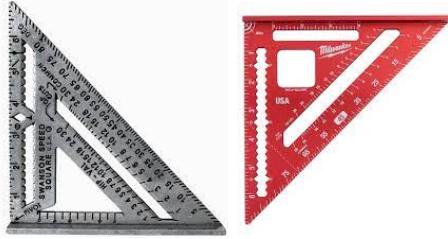

- Carpenters tool belt \$150-450

Adjustable Side pocket apron with suspenders. (I prefer leather)

- Speed square \$20-30

- Chalk line \$15-30

- Utility knife \$20-30

- Linesman pliers \$40-60

- 3/4"-1" Wood chisel \$20-30

- Nail puller/cats paw \$40-100

- 25' Tape measure \$30-40
